## Just Eat Takeaway.com Q3 2024 Trading Update

**Just Eat Takeaway.com N.V. (LSE: JET, AMS: TKWY), hereinafter the “Company”, or together with its group companies “Just Eat Takeaway.com”, one of the world’s largest online food delivery marketplaces, hereby issues a trading update for the third quarter of 2024.**

- Further progress across our key strategic pillars
- Constant currency GTV growth excluding North America of 2% in Q3 2024
- Improved exit rate following a slower July
- Guidance for 2024 reiterated
- We have so far repurchased a combined €340 million worth of shares

**Jitse Groen, CEO of Just Eat Takeaway.com said:** “We made good progress across our key strategic pillars, which we believe will drive growth. Northern Europe and the UK and Ireland continued their positive momentum, and these segments now represent circa 60% of the Group’s total orders. In line with our strategy to diversify, several new partnerships were launched across adjacencies like grocery, pharmacy and wellness in many of our markets. Furthermore, cost and operational efficiencies have allowed us to increase investments while maintaining our outlook. We are well on track to deliver our guidance for the full year.”
