Kendrion successfully raises €31.1 million through an accelerated bookbuild offering of ordinary shares

Kendrion N.V. (AMS: KENDR), hereinafter the "**Company**" or "**Kendrion**", announces that it has successfully placed 1,593,078 ordinary shares, representing approximately 12% of the Company's issued share capital, at an issue price of €19.50 per ordinary share, thereby raising approximately €31.1 million through an accelerated bookbuild offering (the "**Offering**").

The ordinary shares placed in the Offering consist of 1,357,486 new ordinary shares (the "**New Shares**"), representing 10% of the Company's issued share capital as at the date of the annual general meeting of the Company held on 8 April 2019, and 235,592 existing ordinary shares which the Company currently holds in treasury (the "**Treasury Shares**" and together with the New Shares, the "**Offered Shares**"), representing c.2% of the Company's current issued share capital.

In relation to the Offering, the Company is subject to a market customary lock-up period ending 90 calendar days after the issue date, subject to customary exceptions and waivable by the Global Coordinator.

Settlement of the Offered Shares and admission to listing and trading of the New Shares on Euronext Amsterdam is expected to take place on 26 November 2019. On settlement of the Offering, Kendrion will have a total of 14,933,950 ordinary shares issued.

The Target Market Assessment is without prejudice to any contractual, legal or regulatory selling

restrictions in relation to the Offering. Furthermore, it is noted that, notwithstanding the Target Market Assessment, the Sole Global Coordinator and Bookrunner will only procure investors who meet the criteria of professional clients and eligible counterparties.

For the avoidance of doubt, the Target Market Assessment does not constitute: (a) an assessment of suitability or appropriateness for the purposes of MiFID II; or (b) a recommendation to any investor or group of investors to invest in, or purchase, or take any other action whatsoever with respect to the new shares in Kendrion.

Each distributor is responsible for undertaking its own target market assessment in respect of the new shares in Kendrion and determining appropriate distribution channels.
