

**Acquisition of Wilhelm + Zeller finalized**

*July 03, 2007* – Qurius finalized the acquisition of Wilhelm + Zeller AG (W+Z), a strong German supplier of Microsoft Business Solutions. W+Z has 56 employees and has offices in Ravensburg, Muenster, Hamburg and Dornbirn (Austria). Its profitable 2006 turnover was 7.6 million euro. W+Z was in the early 90's one of the first Navision (now Microsoft Dynamics NAV) partners in Germany and has over 300 active customers in amongst others Food & Beverage , Breweries and Oil & Gas industry.

**Creating a solid base for further growth in Germany and Austria**

"W+Z has been a very professional and trustworthy partner in our international FAQT Group alliance from the beginning. W+Z and Qurius are active in the same market segments, and we have already worked together on multiple international projects. The combination of our current German Dynamics AX activities with W+Z's strong Dynamics NAV business should enable a smooth integration. Based on this transaction we can prepare for the necessary additional steps to be market leader in Germany as well", says Qurius director Tom Stolk, responsible for the international business.

**Acquisition details**

The acquisitions of Ibitec, Cedilla and Wilhelm + Zeller, with a total turnover in 2006 of 17.5 million euro, have been paid with the proceeds resulting from the shares issue of 22<sup>nd</sup> June 2007 that raised, after deduction of cost, a net amount of 33 million euros. The fixed purchase price for these three companies amounts to a total of 10 million euros. Furthermore, "earn-out" agreements have been made with objectives for 2007 for a maximum total of 3.3 million euro. Qurius has the choice to pay any such "earn-outs" either with cash or with shares.
