

Qurius named global "Microsoft Dynamics™ Partner of the Year"

July 13, 2007 – Qurius recently received recognition from Microsoft® by being named the 2007 global Microsoft Dynamics™ Partner of the Year. The award, presented last week during the Microsoft Worldwide Partner Conference in Denver, acknowledges outstanding results and extraordinary performance as reseller of Microsoft Dynamics, the Erp- and crm-software of Microsoft. Qurius earned the award by exemplifying the highest level of customer service, competency and shared collaboration with Microsoft.

"It is a privilege to recognize Qurius with this award," said Tami Reller, Corporate Vice President, Microsoft. "We congratulate Qurius on its achievements and deep commitment to our mutual customers, and we thank them for our ongoing collaboration. Their strong performance, dedication and hard work are exemplary. They are a stellar example for our entire partner community."

"We are very proud on this statement of recognition," said Fred Hermans, Chief Executive Officer of Qurius. "This success is the reward for our focus on Microsoft-technology and the hard work and excellent quality of delivery of all our employees. It is a tremendous encouragement for our strategy"

Qurius N.V.

Qurius provides architecture, realization and systems management of Microsoft technology based business and IT solutions, including infrastructures. Qurius has over 900 staff members; its headquarters are located in Zaltbommel, the Netherlands. Its offices in Belgium, Denmark, Germany, Italy, the Netherlands, Norway, Spain, Sweden and the United Kingdom serve over 1,2300 clients. Qurius has been publicly listed on Euronext Amsterdam since 1998. On 18 December 2006, Qurius' shareholders authorized the merger with Watermark, which created Europe's largest Microsoft Dynamics partner. For further information, see www.qurius.com.
