

## **Qurius and LS Retail to market solutions in Europe**

**04 March 2008 - Today Qurius NV and LS Retail have concluded a European reseller and marketing agreement to distribute the solutions of LS Retail in all Qurius countries.**

**LS Retail is one of the principal companies developing retail software based on Microsoft Dynamics NAV/AX for the international arena and used by more than 18,000 stores operating over 41,000 POS terminals worldwide. The LS Retail products complete Qurius' solutions in the retail market.**

"Qurius is serving many retail customers already with LS Retail products and is pleased now to expand the cooperation with LS Retail on a European scale" says Kees van Musscher, responsible for Corporate Sales and Marketing at Qurius.

"Retailers are investing in integrated business platforms to be responsive to market changes. An all-round provider of Microsoft technology and solutions like Qurius can make a difference realising this potential," states Carsten Wulff, Partner Management Director of LS Retail.
