

*Annual Report and integrated CSR Report available [online](#)*

## **Qurius publishes its first Corporate Social Responsibility Report**

**Zaltbommel, 14 April 2011 – The publication of the Corporate Social Responsibility Report, which is integrated in the Annual Report 2010, is part of Qurius' objective to become a 100% sustainable company at the end of 2014. The CSR report is according to G3 standard of the Global Reporting Initiative, application level C.**

In 2010, important progress has been made for example in the field of CO2 reduction, implementing the New Way of Work and Remuneration. In accordance with the sustainability objectives, the Annual Report has been published online only, on <http://reports.qurius.com>.

### **Annual General Meeting**

The Annual General Meeting of Shareholders will be held on 27 May 2011, 10.00 am in the Qurius Inspirience Center, Van Voordenpark 1a, Zaltbommel. The agenda and explanatory notes, and additional documentation is available on [www.qurius.nl/investors](http://www.qurius.nl/investors).

### **Annual Information Document**

On <http://reports.qurius.com> is also a complete overview of Qurius publications available, published in 2010.

### **Qurius N.V.**

Qurius provides IT solutions: design, architecture, infrastructure, implementation and system management of Microsoft-based business and IT solutions. From our head office in Zaltbommel we serve clients throughout Europe, including Belgium, Germany, Austria, The Netherlands, Spain, the United Kingdom and the Czech Republic. In 2010, we openly communicated our objective of achieving 100% sustainable operations by 2014. In this way, we want to become the leading European organisation in sustainable IT. We work with clients and partners who are equally ambitious and have the same sustainability objectives. Qurius has been listed on the Euronext Amsterdam since 1998.
