## **NN Group included in AMX Index at Euronext**

NN Group N.V. will be included in the Euronext AMX Index effective as of the start of trading on the European markets on 22 December 2014. This was announced by Euronext today following its quarterly review which is based on free-float adjusted market capitalisation and liquidity.

As announced before, following its successful initial public offering in July this year, NN Group has been included in the MSCI Global Standard Index as of 26 November 2014 and it will debut in the STOXX Europe 600 index and the FTSEurofirst 300 Index on 22 December 2014.

The AMX is a free-float market capitalisation weighted index that reflects the performance of the second 25 largest and actively traded shares listed on Euronext Amsterdam, and is the most widely used Midcap indicator of the Dutch stock market. The index serves as a basis for structured products, funds, exchange traded funds and futures.

Euronext is the primary exchange in the Euro zone with over 1,300 issuers worth EUR 2.6 trillion in market capitalisation, an unmatched blue chip franchise consisting of 20+ issuers in the EURO STOXX 50® benchmark and a strong diverse domestic and international client base.
