

NN Group completes sale of its stake in ING-BOB Life to BNP Paribas Cardif

NN Group announced today that it has completed the sale of its 50% stake in its Chinese insurance joint venture ING-BOB Life Insurance Company to BNP Paribas Cardif.

The transaction, which was previously announced by ING Group on 8 July 2013, does not have a material impact on NN Group results.

With around 12,000 employees the group offers retirement services, insurance, investments and banking to more than 15 million customers. NN Group includes Nationale-Nederlanden, ING Insurance Europe, ING Investment Management and ING Life Japan and is listed on Euronext Amsterdam (NN).

Important legal information

NN Group's Annual Accounts are prepared in accordance with International Financial Reporting Standards as adopted by the European Union ("IFRS-EU"). In preparing the financial information in this document, the same accounting principles are applied as in the NN Group N.V. condensed consolidated interim financial information for the period ended 30 June 2014. All figures in this document are unaudited. Small differences are possible in the tables due to rounding. Certain of the statements contained herein are not historical facts, including, without limitation, certain statements made of future expectations and other forward-looking statements that are based on management's current views and assumptions and involve known and unknown risks and uncertainties that could cause actual results, performance or events to differ materially from those expressed or implied in such statements. Actual results, performance or events may differ materially from those in such statements due to, without limitation: (1) changes in general economic conditions, in particular economic conditions in NN Group's core markets, (2) changes in performance of financial markets, including developing markets, (3) consequences of a potential (partial) break-up of the euro, (4) the implementation of the EC Restructuring Plan, (5) changes in the availability of, and costs associated with, sources of liquidity as well as conditions in the credit markets generally, (6) the frequency and severity of insured loss events, (7) changes affecting mortality and morbidity levels and trends, (8) changes affecting persistency levels, (9) changes affecting interest rate levels, (10) changes affecting currency exchange rates, (11) changes in investor, customer and policyholder behaviour, (12) changes in general competitive factors, (13) changes in laws and regulations, (14) changes in the policies of governments and/or regulatory authorities, (15) conclusions with regard to accounting assumptions and methodologies, (16) changes in ownership that could affect the future availability to us of net operating loss, net capital and built-in loss carry forwards, (17) changes in credit and financial strength ratings, (18) NN Group's ability to achieve projected operational synergies and (19) the other risks and uncertainties detailed in the Risk Factors section contained in recent public disclosures made by NN Group and/or related to NN Group (such as the most recent annual report of ING Groep N.V.). Any forward-looking statements made by or on behalf of NN Group speak only as of the date they are made, and, NN Group assumes no obligation to publicly update or revise any forward-looking statements, whether as a result of new information or for any other reason. This document does not constitute an offer to sell, or a solicitation of an offer to buy, any securities.
