

Persbericht

Jolanda Roos Chief Risk Officer Nationale-Nederlanden Schade & Inkomen

Jolanda Roos (36) wordt per 1 november benoemd tot Chief Risk Officer (CRO) van Nationale-Nederlanden Schade & Inkomen. Zij volgt hiermee Peter Brewee op, die per 1 oktober jl. is benoemd tot CRO van Nationale-Nederlanden Life & Pensions.

Na negen jaar werkzaam te zijn geweest voor Delta Lloyd Leven, in verschillende expertfuncties, kwam Jolanda in 2017 in dienst bij Nationale-Nederlanden als Head of Financial Risk Management bij Schade & Inkomen. In 2021 werd ze bij hetzelfde bedrijfsonderdeel benoemd tot Head of Risk Management & Key Function Holder Risk. In deze functie was ze verantwoordelijk voor de beheersing van de strategische, financiële en niet financiële risico's van NN Schade & Inkomen. In de loop der jaren heeft zij een sterk en onafhankelijk risicomanagementteam opgebouwd en met succes bijgedragen aan de integratie van Delta Lloyd en Vivat Schade. Jolanda brengt uitgebreide ervaring mee uit de verzekeringsbranche, die in combinatie met haar sterke managementvaardigheden een waardevolle bijdrage zal leveren bij het voortzetten van de risicostrategie bij Nationale-Nederlanden Schade & Inkomen. Jolanda wordt lid van het managementteam en rapporteert aan Maurice Koopman, CEO van NN Schade & Inkomen.

Over Nationale-Nederlanden

Nationale-Nederlanden is een financiële dienstverlener die producten en diensten aanbiedt op het gebied van verzekeringen, pensioenen en bankactiviteiten aan ruim 6 miljoen particuliere en zakelijke klanten in Nederland. Al meer dan 175 jaar helpen onze medewerkers mensen zorgen voor wat zij écht belangrijk vinden. Nationale-Nederlanden is onderdeel van NN Group, een internationale financiële dienstverlener actief in 11 landen en toonaangevend in een aantal Europese landen en Japan. NN Group N.V. is genoteerd aan Euronext Amsterdam (NN).

Legal information

Certain of the statements contained herein are not historical facts, including, without limitation, certain statements made of future expectations and other forward-looking statements that are based on management's current views and assumptions and involve known and unknown risks and uncertainties that could cause actual results, performance or events to differ materially from those expressed or implied in such statements. Actual results, performance or events may differ materially from those in such statements due to, without limitation: (1) changes in general economic conditions, in particular economic conditions in NN Group's core markets,

(2) changes in performance of financial markets, including developing markets, (3) consequences of a potential (partial) break-up of the euro or European Union countries leaving the European Union, (4) changes in the availability of, and costs associated with, sources of liquidity as well as conditions in the credit markets generally, (5) the frequency and severity of insured loss events, (6) changes affecting mortality and morbidity levels and trends, (7) changes affecting persistency levels, (8) changes affecting interest rate levels, (9) changes affecting currency exchange rates, (10) changes in investor, customer and policyholder behaviour, (11) changes in general competitive factors, (12) changes in laws and regulations and the interpretation and application thereof, (13) changes in the policies and actions of governments and/or regulatory authorities, (14) conclusions with regard to accounting assumptions and methodologies, (15) changes in ownership that could affect the future availability to NN Group of net operating loss, net capital and built-in loss carry forwards, (16) changes in credit and financial strength ratings, (17) NN Group's ability to achieve projected operational synergies, (18) catastrophes and terrorist-related events, (19) operational and IT risks, such as system disruptions or failures, breaches of security, cyber-attacks, human error, changes in operational practices or inadequate controls including in respect of third parties with which we do business, (20) risks and challenges related to cybercrime including the effects of cyberattacks and changes in legislation and regulation related to cybersecurity and data privacy, (21) business, operational, regulatory, reputation and other risks and challenges in connection with ESG related matters and/or driven by ESG factors including climate change, (22) the inability to retain key personnel, (23) adverse developments in legal and other proceedings and (24) the other risks and uncertainties contained in recent public disclosures made by NN Group.

Any forward-looking statements made by or on behalf of NN Group speak only as of the date they are made, and, NN Group assumes no obligation to publicly update or revise any forward-looking statements, whether as a result of new information or for any other reason.

This document does not constitute an offer to sell, or a solicitation of an offer to buy, any securities.
