

## PHARMING INCLUDED IN AMSTERDAM MIDKAP INDEX ON NYSE EURONEXT

**Leiden, The Netherlands, August 4, 2008.** Biotech company Pharming Group NV ("Pharming") (NYSE Euronext: PHARM) announced today that its inclusion in the Amsterdam Midkap Index (AMX-index) has been confirmed by NYSE Euronext.

The AMX-index is composed of the top 25 actively traded mid caps on NYSE Euronext Amsterdam, following the top 25 large cap companies. The companies in AMX are selected for the index based on turnover of shares in euros over the past 12 months (July 2007 - June 2008). The inclusion of Pharming will come into effect on September 2, 2008.

For further information on the Amsterdam Midkap Index and to obtain daily information on the indexes, please visit <http://www.nyse.com>.

### About Pharming Group NV

Pharming Group NV is developing innovative products for the treatment of genetic disorders, ageing diseases, specialty products for surgical indications, intermediates for various applications and nutritional products. Pharming has two products in late stage development - Rhucin® for Hereditary Angioedema and human lactoferrin for use in food products. The advanced technologies of the Company include innovative platforms for the production of protein therapeutics, technology and processes for the purification and formulation of these products, as well as technology in the field of DNA repair (via DNage). Additional information is available on the Pharming website, <http://www.pharming.com> and on <http://www.dnage.nl>.

*This press release contains forward looking statements that involve known and unknown risks, uncertainties and other factors, which may cause the actual results, performance or achievements of the Company to be materially different from the results, performance or achievements expressed or implied by these forward looking statements.*
