

press release

TKH Group N.V. (TKH)

TKH acquires SecurityWorks

TKH reports it has acquired an 80% stake in SecurityWorks. Nijkerk-based system integrator SecurityWorks develops and supplies complete, customised and integrated security solutions in the retail and industry market segments. This acquisition is in line with TKH's goal to further expand the share of security solutions in total turnover to 20% in the next three to five years.

SecurityWorks' product and services portfolio ranges from technical store security to fully secure "touch & feel" product presentations. All the company's solutions are based on a internally developed concept.

SecurityWorks has an annual turnover of € 2 million. The company's activities will be incorporated in TKH's security cluster, which is part of the business segment Building Solutions.

The acquisition will be financed from TKH's available resources.

Haaksbergen, 20 December 2007

Profile

Technical solutions provider, TKH Group NV (TKH) is an internationally operating Group of companies specialised in creating and supplying innovative Telecom, Building and Industrial Solutions.

The activities in the form of technologies, know-how, products and added value such as consulting, development, assembly and delivery of systems, form the building blocks for innovative solutions. These activities are concentrated in three groups: the Technical Trading Group, the Cable Group and the Machinery Group.

At TKH the solutions play the central role, not the kind of activity (group).

The Telecom Solutions consist of solutions ranging from basic infrastructure to home networking applications, for both the outdoor and indoor telecom (ICT) -markets.

The Building Solutions comprise solutions ranging from efficient electrical engineering to ICT systems for the health care sector. In this segment TKH concentrates on cable systems and networks, intercom systems, nurse paging systems, access control and electricity distribution.

The Industrial Solutions consist of advanced solutions for production automation, car and truck tyre building systems and industrial applications in the field of speciality cable and cable accessories.

The 43 companies in the TKH Group are active all over the world. Its growth is concentrated on North West and Eastern Europe and Asia. In 2006 TKH secured a turnover of € 686 million with 2,961 employees.
