

TomTom share buyback periodic update, 23-30 March

Amsterdam, 31 March 2020, 7:30 CEST - TomTom ([TOM2](#)) today announced that it has repurchased 1,202,912 ordinary TomTom shares at an average price of €6.69 per share in the period from 23 March 2020 up to and including 30 March 2020. The aggregate consideration of this repurchase was €8.0 million. These repurchases were made as part of the company's share buyback program, which was announced on 2 March 2020.

The total number of shares repurchased under this program up to and including 30 March is 2,354,433 shares for a total aggregate consideration of €16.6 million.

TomTom will use the shares to cover its commitments arising from its stock option and share plans. Details on the share buyback transactions can be found on the company's [website](#).

As separately disclosed, TomTom has decided to suspend the share buyback program as of 31 March 2020 until further notice as a precautionary measure because of the economic uncertainty following the COVID-19 pandemic.

This press release contains information which is to be made publicly available under the Market Abuse Regulation (EU) No 596/2014.
