

## Vivoryon Therapeutics N.V. to Report Q1 2025 Financial Results and Operational Progress on June 17, 2025

Halle (Saale) / Munich, Germany, June 11, 2025 - Vivoryon Therapeutics N.V. (Euronext Amsterdam: VVY; NL00150002Q7) (**Vivoryon**), a clinical stage company developing small molecule medicines for inflammatory and fibrotic disorders, with a primary focus on kidney diseases, today announced that it will publish its first quarter financial results for the period ended March 31, 2025 and provide a corporate update on Tuesday, June 17, 2025. The Company will host a conference call and webcast open to the public.

### Conference call details

Date: June 17, 2025

Time: 3:00 pm CEST / 9:00 am EDT

The conference call will be available via phone and webcast.

The live audio webcast of the call will be available on Vivoryon's website at:

<https://www.vivoryon.com/news-and-events/presentations-webcasts/>

To join the conference call via phone, participants may pre-register and will receive dedicated dial-in details to easily and quickly access the call via the following website:

<https://register-conf.media-server.com/register/BI2bf13b52bb70430396e12c44801813ac>

It is suggested participants dial into the conference call 15 minutes prior to the scheduled start time to avoid any delays in attendance.

###

### About Vivoryon Therapeutics N.V.

Vivoryon is a clinical stage biotechnology company focused on developing innovative small molecule-based medicines for the treatment of inflammatory and fibrotic disorders of the kidney. Driven by its passion for ground-breaking science and innovation, the Company strives to improve patient outcomes by changing the course of severe diseases through modulating the activity and stability of pathologically relevant proteins. Vivoryon's most advanced program, varoglutamstat, a proprietary, first-in-class orally available QPCT/L inhibitor, is being evaluated to treat diabetic kidney disease.
