About Wereldhave

Wereldhave invests in dominant mid-sized shopping centres in larger provincial cities in northwest continental Europe. The catchment area of our centres should comprise of at least 100,000 inhabitants within 10 minutes travel time.

We focus on shopping centres that have a sound balance between shopping convenience and experience. With easy accessibility, an offer that covers 90% of shopping needs, successful (inter-) national and local retail formulas and strong food anchors, our centres provide convenience shopping to accommodate an ageing population, ongoing urbanisation and a busy lifestyle.

We aim for an entire experience that goes beyond shopping, with fully embedded food & beverage functions, kid's playgrounds and high quality amenities, to attract families and prolong average dwelling times.
