Right to amend the agenda and right to ask questions

One or more shareholders representing at least one per cent of the share capital or holding shares with a market value of at least EUR 50 million have the right to place new items on the agenda of a General Meeting and to table draft resolutions on existing or new agenda items.

The right to request the addition of items to the agenda or submit proposals of decisions relating to existing agenda items does not apply to a second Extraordinary General Meeting of Shareholders that must be convened for lack of an attendance quorum at the first Extraordinary General Meeting of Shareholders.

In order for shareholders to be able to exercise their right to amend the agenda, they must prove that on the day on which they submit their request they actually own at least one per cent of the share capital or hold shares with a market value of at least EUR 50 million. They must also ensure that the appropriate number of shares is registered on the record date in accordance with the registration formalities described above.

Ownership of shares on the day on which the request is submitted can be proved as follows:

- In the case of **shares registered directly with the company**: by means of an entry in the register of registered ageas SA/NV shares.
- In the case of **shares that are registered through a bank or other financial institution**: by means of a book entry certificate issued by an authorized custody account keeper or clearing institution.

Requests must be accompanied by the text of the items to be added to the agenda and the related draft resolutions, and/or by the text of the draft resolutions concerning existing or new agenda items. Requests must also mention a postal address or email address to which ageas SA/NV can send confirmation of receipt.

The company must receive requests to place items on the agenda and to table draft resolutions no later than **midnight (CET) on Tuesday 26 March 2024**.

As the case may be, Ageas will publish an updated agenda no later than Tuesday 2 April 2024. At the same time a modified proxy form will be published on the website. All proxies previously submitted will nevertheless remain valid with regard to the agenda items they refer to.

In addition, shareholders have the right to submit, prior to the Meeting, questions in writing to the Board of Directors concerning the agenda items and the board's report, if any, as well as questions in writing to the statutory auditor about his report as the case may be. They also have the right to ask questions orally about the agenda items and reports during the Meeting.

Questions submitted in writing will only be answered if the shareholder in question has completed the registration formalities mentioned above by the record date and has given notice of his intention to attend the Meeting by Thursday 11 April 2024 and provided that the question in writing is received by the company no later than **Thursday 11 April 2024**.

Shareholders who comply with the above-mentioned conditions should send requests concerning their amendment right to the agenda and to ask questions to the postal address or email address mentioned in this convening notice (see under the heading 'Practical Information').
