

Overview of repurchases of treasury shares at NYSE Euronext Brussels since July 1st 2009

On February 27th 2014, the company owns a total of 9.120.843 treasury shares, or 5,52 % of the total number of shares issued (i.e. 165.169.749).

Since 15 October 2010 the share of the company is split up into five.

* After having been empowered by the annual general meeting, treasury shares are used for employees who choose to receive their profit share in the form of shares of the company.
