**About Ekopak Sustainable Water**

Ekopak is a Belgian company that markets circular water solutions. Ekopak's solutions offer industrial clients the opportunity to significantly reduce their water consumption from the main network in a sustainable, dependable and cost-effective way. Ekopak therefore focuses on optimizing water consumption with modular water treatment units that convert off-grid water sources, such as rainwater, surface water and/or waste water into cleaner water that can be used and reused in clients' industrial processes.

Ekopak offers its solutions on a global scale and operates worldwide with offices in Belgium, France, The Netherlands, Morocco, the Philippines, Thailand, Mexico, Singapore and the US.

All Ekopak shares are listed on Euronext Brussels (ticker EKOP).
