ARSEUS ANNOUNCES SUCCESSFUL PROGRESS IN THE US COMPOUNDING MARKET

Waregem (Belgium) / Rotterdam (The Netherlands)¹, 11 December 2014 –Arseus announces today it will provide an update on the US compounding market, following the media advisory release by Patients and Physicians for Rx Access (<http://saverxaccess.org/>). The media advisory release states that Catamaran, the nation's third largest Pharmacy Benefit Manager (PBM), has chosen United Compounding Management (UCM) as its strategic partner in providing coverage for compounded medications in 2015.

Ger van Jeveren (CEO) and Jake Jackson (Member of the Fagron Executive Committee and responsible for Fagron North America) will provide further details today in a conference call. The conference call starts at 17:00 CET. You may join the call from 16:45 CET onwards by calling +31 (0)10 713 72 95 (the Netherlands) or +32 (0)2 404 03 34 (Belgium).

Arseus profile

Arseus is an innovative scientific pharmaceutical R&D company that is focused on optimising and innovating pharmaceutical compounding worldwide. Arseus consists of two divisions: Fagron and HL Technology. Fagron supplies pharmaceutical raw materials, equipment & supplies, concepts and pharmaceutical compounding to pharmacies and hospital pharmacies in 30 countries. Pharmaceutical compounding is an essential part of pharmaceutical care that enables pharmacists to fulfil the worldwide growing need for tailor-made medication. Fagron's own R&D organization consists of 200 pharmacists who are working continually on developing new formulations for specific patients and patient groups. HL Technology develops and produces innovative precision components and orthopaedic tools for dental and medical professionals.
