

Press release:

Transparency Declaration by FMR LLC

Regulated information published in view of the transparency directive

Ieper, Belgium – March 26th, 2013 at 18.00 hrs CET

According to the stipulations of Title II of the Law of May 2nd, 2007 and the Royal Decree of February 14th, 2008, a shareholder whose direct or indirect stake reaches, exceeds or falls below a threshold of 5% or a multiple of 5% has to disclose this. Melexis NV has not provided for any statutory threshold provision in its articles of association, by which the statutory threshold of 5% and all of its multiples, is applicable.

On March 22nd, 2013 FMR LLC (82 Devonshire Street, Boston, Massachusetts 02109, USA) has sent the following transparency declaration to Melexis NV:

Number of shares and corresponding votes previously held by FMR LLC: **4.042.865**
This represents **10,01%** of the total votes.

Number of shares and corresponding votes held after the transaction by FMR LLC: **4.032.132**
This represents **9,98%** of the total votes.

Date on which the threshold of 10% is downwardly crossed: **21.03.2013**

The holdings may be held by direct or indirect subsidiaries of FMR LLC.

The authorized capital of Melexis NV is EUR 564.813,86 and is represented by 40.400.000 shares. The total number of voting rights amounts to 40.400.000.

About Melexis

Melexis NV (Euronext Brussels: MELE) is a mixed signal semiconductor manufacturer. Melexis designs, develops, tests and markets advanced integrated semiconductor devices for the automotive industry. Our core experience supplying ICs for automotive electronics sustains the expansion into Application Specific Standard Products for industrial and consumer product applications. Melexis enthusiastically pursues its role as a component supplier whose innovations, while physically small, are the essential element in nearly every one of our customers' extraordinary systems. At Melexis we believe that "Small things make a big difference". Melexis' products include sensor, communication, actuator ICs and Application Specific Integrated Circuits (ASICs). Further information about Melexis can be found at <http://www.melexis.com>.

Disclaimer

Except for those statements that report the Company's historical results, the statements being made are forward looking statements. Actual results could differ materially from those projected in the forward-looking statements. Factors which could cause actual results to differ from expectations include the following: volatility in supply and demand affecting revenues and market prices, price and availability of silicon foundry, assembly and test prices, assembly and test subcontract capacity required to meet financial targets and/or meet backlog requirements, risks and delays associated with bringing up new production capabilities or with deliveries from subcontractors, timing and market acceptance of new products, increased expenses associated with new product acceptance of new products, increased expenses associated with new product introductions of process changes, delays in developing or

achieving volume production of new products, which can result in delays or failure to contribute to revenues and profits, ability of the Company to maintain its customer and vendor base and delays in and/or inability in raising additional capital.
