2) Proposal to issue 690,000 LDA Warrants to LDA

Proposed resolution: The general shareholders' meeting resolves to approve the issuance of 690,000 new subscription rights for shares of the Company, named the "LDA Warrants", and to dis-apply, in the interest of the Company, the preferential subscription right of the existing shareholders of the Company and, as far as needed, of the holders of outstanding subscription rights (share options) of the Company, to the benefit of LDA Capital Limited and its permitted successors and assigns. In view thereof, the general shareholders' meeting resolves as follows:

Terms and conditions of the warrants: The terms and conditions of the LDA Warrants shall be as set out in the annex to the report of the board of directors referred to in point 0 of the agenda (for the purpose of this resolution, "Conditions"), a copy of which shall remain attached to the minutes reflecting the present resolution. The main terms of the LDA Warrants can, for informational purposes, be summarised as follows:

Subscription rights for ordinary shares: Each LDA Warrant gives the right to subscribe for one new share to be issued by the Company.

Exercise price: Each LDA Warrant can be exercised at a price of EUR 27.00 per new share. The exercise price is subject to customary downward adjustments in case of certain dilutive corporate actions (such as a dividend payment or issuance of new shares).

Duration: The LDA Warrants have a term of three years as from their issue date.

Exercisability: The exercise of the LDA Warrants is subject to the terms and conditions set out in the Conditions.

Transferability: The holder of the LDA Warrants shall not be entitled to transfer or assign any LDA Warrant, save to affiliates (as set out in the Conditions). The LDA Warrants will not be admitted to trading or listing.

The general shareholders' meeting also approves all clauses in the terms and conditions, which come into effect at the moment a change of control occurs, including, but not limited to, the earlier exercise of the warrants upon expiry of the commitment period (as defined in the terms and conditions), and which fall or could be considered to fall within the scope of article 7:151 of the Belgian Companies and Associations Code (relating to the granting of rights to third parties that substantially affect the Company's assets and liabilities, or give rise to a substantial debt or commitment on its behalf, when the exercise of these rights is subject to the launching of a public takeover bid on the shares of the Company or to a change in the control exercised over it)

Underlying shares: Each LDA Warrant shall entitle the holder thereof to subscribe for one new share to be issued by the Company. The new shares to be issued at the occasion of the exercise of the LDA Warrants shall have the same rights and benefits as, and rank *pari passu* in all respects, including as to entitlements to dividends, with, the existing and outstanding shares of the Company at the moment of their issuance, and will be entitled to distributions in respect of which the relevant record date or due date falls on or after the date of issue of the shares.

Disapplication of the preferential subscription right to the benefit of LDA Capital: The general shareholders' meeting resolves, in accordance with articles 7:191 and 7:193 of the Belgian Companies and Associations Code, to dis-apply, in the interest of the Company, the preferential subscription right of the existing shareholders of the Company and, as far as needed, of the holders of outstanding subscription rights (share options) of the Company, to the benefit of LDA Capital Limited and its permitted successors and assigns, and to issue the LDA Warrants to LDA Capital Limited, as further explained in the report of the board of directors referred to in point 0 of the agenda.

Conditional capital increase and issue of new shares: The general shareholders' meeting resolves, subject to, and to the extent of the exercise of LDA Warrants, to increase the Company's share capital and to issue the relevant number of new shares issuable upon the exercise of the LDA Warrants. Subject to, and in accordance with, the provisions of the Conditions, upon exercise of the LDA Warrants and issue of new shares, the aggregate amount of the exercise price of the LDA Warrants will be allocated to the share capital of the Company. To the extent that the amount of the exercise price of the LDA Warrants, per share to be issued upon exercise of the LDA Warrants, exceeds the fractional value of the then existing shares of the Company existing immediately prior to the issue of the new shares concerned, a part of the exercise price, per share to be issued upon exercise of the LDA Warrants, equal to such fractional value shall be booked as share capital, whereby the balance shall be booked as issue premium. Following the capital increase and issuance of new shares, each new and existing share shall represent the same fraction of the share capital of the Company.

Issue premium: Any issue premium that will be booked in connection with the LDA Warrants shall be accounted for on a non-distributable account on the liabilities side of the Company's balance sheet under its net equity, and the account on which the issue premium will be booked shall, like the share capital, serve as a guarantee for third parties and can only be reduced on the basis of a lawful resolution of the general shareholders' meeting passed in the manner required for an amendments to the Company's articles of association.

Powers of attorney: The board of directors is authorised to implement and execute the resolutions passed by the general shareholders' meeting in connection with the LDA Warrants, and to take all steps and carry out all formalities that shall be required by virtue of the Conditions of the LDA Warrants, the Company's articles of association and applicable law in order to issue or transfer the shares upon exercise of the LDA Warrants. Furthermore, each of the Company's directors, the Company's chief financial officer, and the Company's corporate secretary, each such person acting individually and with possibility of sub-delegation and the power of subrogation, shall have the power, upon exercise of the LDA Warrants, (i) to proceed with the recording of (A) the capital increase and issue of new shares resulting from such exercise, (B) the allocation of the share capital and (as applicable) the issue premium, and (C) the amendment of the Company's articles of association in order to reflect the new share capital and number of outstanding shares following the exercise of the LDA Warrants, (ii) to sign and deliver, on behalf of the Company, the relevant Euroclear, Euronext and bank documentation, the share register and all necessary documents in connection with the issuance and delivery of the shares to the beneficiary, and (iii) to do whatever may be necessary or useful (including but not limited to the preparation and execution of all documents and forms) for the admission of the shares issued upon the exercise of the LDA Warrants to trading on the regulated market of Euronext Brussels (or such other markets on which the Company's shares will be trading at that time).
