

Notice of Extraordinary Shareholders' Meeting on 22th July 2020 Regarding Proposed Warrant Plans

Liege, Belgium, 19 June 2020 – 17:45 CEST – Mithra (Euronext Brussels: MITRA), a company dedicated to Women's Health, today announces the publication of the invitation to its Extraordinary General Shareholders' Meeting (EGM) that will be held on Wednesday July 22 2020 at 2:00 PM (CET) in Flémalle 57 rue de l'Expansion (Belgium).

The agenda of this Meeting will mainly consider the issuance of two warrant plans subject to the shareholder's approval : (i) one for the benefit of LDA Capital Ltd whereby a maximum of 690,000 warrants would be issued within the framework of the transaction announced on the 24th April 2020¹, and (ii) another for the benefit of reference shareholders ("Share Lending Warrants") as further detailed in the supporting documentation for a maximum of 300,000 warrants.

The special reports of the board of directors and of the statutory auditor established pursuant to provisions 7:180, 7: 191 and 7:193 of the Belgian Companies and Associations Code, the notice for the EGM for the shareholders, including all details on how to participate to this Meeting and the supporting documents are available on the [Company website](#).

About Mithra

Mithra (Euronext: MITRA) is a Belgian biotech company dedicated to transforming Women's Health by offering new choices through innovation, with a particular focus on contraception and menopause. Mithra's goal is to develop products offering better efficacy, safety and convenience, meeting women's needs throughout their life span. Its three lead development candidates are built on Mithra's unique native estrogen platform, Estetrol (E4): Estelle®, a new era in oral contraception, PeriNesta®, the first complete oral treatment targeting perimenopause and Donesta®, the next-generation hormone therapy. Mithra also develops and manufactures complex therapeutics in the areas of contraception, menopause and hormone-dependent cancers. It offers partners a complete spectrum of research, development and specialist manufacturing at its technological platform Mithra CDMO. Active in more than 100 countries around the world, Mithra has an approximate headcount of 250 staff members and is headquartered in Liège, Belgium. www.mithra.com
