## Recticel in a nutshell

Recticel is a Belgian industrial group with a solid European dimension and operations in Asia, the United States and Africa.

Recticel contributes to daily comfort with high-performance thermal insulation solutions for the construction industry and an extensive range of polyurethane foam products for industrial and domestic applications. Whilst focusing on industry-leading, customized solutions supported by sustainable innovations, Recticel strives to provide responsible answers to societal challenges, including climate change and conservation of resources.

The Insulation business line helps to reduce energy consumption with products marketed under well-known brands such as Eurowall®, Powerroof®, Powerdeck®, Powerwall® and Xentro®.

The Engineered Foams business offers a diversified and unique range of foams and systems, spanning transport, industrial, consumer goods and comfort applications.

With 3,556 employees operating in 43 locations in 19 countries, Recticel realized in 2021 consolidated sales of EUR 1,032.8 million (excluding the Bedding sales accounted for in discontinued operations as per IFRS 5).

Recticel (Euronext: REC – Reuters: RECTt.BR – Bloomberg: REC:BB) is listed on Euronext in Brussels.
