SOLVAC
Intermediate Statement
In accordance with the Royal Decree of November 14, 2007, art. 14

As of today, SOLVAC is holding 25,559,257 SOLVAY shares, i.e. 30.18% of SOLVAY (unchanged from June 2013).

In the period from July 1, 2013 until today and in accordance with an earlier announcement:

- On September 26, 2013, SOLVAC has paid out a **first interim dividend** of EUR 2.72 gross per share (EUR 2.04 net per share). This amount corresponds to 60% of the total rounded up dividend of the preceding year, in accordance with the policy decision in 2006.The payment amounts to a gross distribution of EUR 41.5 million.

- **The second interim dividend** will be decided by the Board of Directors, announced on December 13, 2013. In December 2013 and paid on December 27, 2013. The Board of Directors would have to decide on the increase of the total dividend for 2013 from EUR 4.53 to EUR 4.72, gross per share (or +4.2% yoy), in accordance with its policy to distribute practically all of the Solvay dividends and in view of Solvay's decision to increase its 2012 dividend by 4.2%. The second interim dividend then would amount to EUR 2.00 gross per share.

- The 15,267,881 Solvac shares trade on the **continuous market of NYSE Euronext Brussels** since October 1, 2013. In this context, KBC Securities act as permanent liquidity provider for Solvac in accordance with Article I of Book 1 of the Euronext Rule Book.

We draw the reader's attention to the publication by SOLVAY of its 3rd quarter 2013 results on October 25, 2013 as well as the amount of the interim dividend for the year 2013. The press release can be downloaded from www.solvay.com

This intermediate statement has been approved by the Managing Director of SOLVAC.
