Press Release

Regulated information
November 5, 2015 at 6.00 P.M. (Brussels time)

Solvac S.A.
Advance payment of the balance of 2015 dividend
Total dividend up compared to 2014

The Board of Directors of SOLVAC S.A. has decided to pay a second interim dividend. Still subject to approval by the General Meeting of Shareholders, this interim dividend will represent the balance of the total dividend payment for the accounting year 2015.

This second interim dividend will exceptionally be paid on November 24, 2015 instead of December and amounts to € 2.185 gross per share.

Taking into account the first interim dividend decided in July, the total dividend 2015 is increasing by 6,25 % compared to 2014, namely € 5.015 gross per share.

Gross dividend in €	*2014*	*2015*
1st interim dividend	2.83	2.83
2nd interim dividend	1.89	2.185
Total	4.72	5.015

This evolution is in conformity with the evolution of SOLVAY S.A.'s dividend (accounting year 2014 versus accounting year 2013).

The shares will be traded "ex dividend" on the stock exchange as from November 11, 2015.

Calendar dividends 2016
- 25 August 2016 : payment of the first interim dividend for the 2016 financial year
- 27 December 2016 : payment of the second interim dividend for the 2016 financial year
