Ter Beke offers its shareholders an optional dividend and announces the conditions relating thereto

The Ter Beke Shareholders' Meeting of 27 May 2021 decided to distribute a gross dividend of EUR 4.00 / share (EUR 2.80 net / share) for the 2020 financial year.

The Board of Directors decided, in line with its earlier announcement of March 1, 2021, to offer Ter Beke shareholders the option of an optional dividend for the financial year 2020.

In the case of an optional dividend, the shareholders are given the opportunity to contribute their receivable arising from the distribution of profits into the capital of the company, against the issue of new shares, in addition to the option of receiving the dividend in cash or opting for a combination of the two previous options.

The funds not paid in cash offer Ter Beke the opportunity to invest further in the future through debt financing and to realize its growth strategy. The optional dividend also permits (depending on the dividend rights that are contributed to the capital of Ter Beke) to avoid cash-out.

The shareholder has the choice to receive the dividend in cash or to contribute against new shares, as follows:

Option 1: payment of the dividend in cash

Each Ter Beke share entitles the shareholder to a gross dividend of EUR 4.00 or a net dividend of EUR 2.80 (after deduction of 30% withholding tax)

Option 2: Contribution of the dividend against new Ter Beke shares

Each Ter Beke share gives the shareholder one dividend right (coupon n° 33). One new Ter Beke share can be subscribed to by contributing 37 dividend rights (each amounting to the net dividend of EUR 2.80). The price for subscription by a shareholder is thus $37 \times 2.80 = 103.60$ EUR for a new share. This means a discount of 5.82 % compared to the average of the closing price in the 10 trading days prior to the decision of the Board of Directors (24 May 2021 until and including 4 June 2021) and a discount of 4.07 % compared to the closing price of the Ter Beke share on Friday 4 June 2021, always after deduction of the gross dividend for the 2020 financial year.

Option 3: a combination of both previous options.

Terms of the optional dividend

- The newly created shares will be listed from Monday 5 July 2021 and will therefore also be tradable from then on.
- These newly created shares will be entitled to participate in the results as of January 1, 2021 (first dividend to be made available in 2022)
- For shareholders who are exempt from withholding tax, the contribution of the dividend claim will amount to EUR 2.80 per share, and the balance resulting from the exemption from withholding tax will be paid in cash as of Monday 5 July 2021. Shareholders in such a situation must submit the usual exemption certificate via their financial institution to BNP Paribas Fortis NV, which as financial institution provides financial services related to Ter Beke shares.

Conditions precedent

The Board of Directors reserves itself the discretionary right to withdraw the optional dividend offer if the price of the Ter Beke share on Euronext Brussels rises or falls significantly in the period between June 7, 2021 and July 1, 2021 as compared to the price on the basis of which the issue price was determined by the Board of Directors.
