

PRESS RELEASE

ENAV IS AWARDED CONTRACT IN TAIWAN

Rome, 3 June 2020 – ENAV, through its subsidiary IDS AirNav, has been awarded a contract from the Civil Aeronautics Administration of Taiwan - a government agency of the Ministry of Transportation and Communications of the Republic of China on Taiwan, responsible for the regulation of all civil aviation activities, for an amount of 800,000 euro.

ENAV will provide the supply, installation, acceptance and commissioning of the aeronautical information management system (AIM).
