ENAV: CONTRACT SIGNED WITH ANS CZ – THE AIR NAVIGATION SERVICE PROVIDER OF THE CZECH REPUBLIC

Rome, June 15, 2023 – ENAV Group, through its subsidiary IDS AirNav - a market leader in the provision of aeronautical information management systems and flight procedure design - has signed a contract with ANS CZ – the Air Navigation Service Provider of the Czech Republic.

FPDAM (Flight Procedure Design & Airspace Management), the program used to design flight procedures, is made available as part of the commitment. This system, in compliance with the requirements of ICAO and EASA international rules, will enable ANS CZ to manage its airspace with high performance, more efficient flight paths, and a resulting decrease in fuel consumption and emissions.
