## Report on the Audit of the Consolidated Financial Statements

### Opinion

We have audited the consolidated financial statements of Recordati Group (the Group), which comprise the consolidated statement of financial position as at 31 December 2020, and the consolidated statement of income, the consolidated statement of comprehensive income, consolidated statement of changes in equity and consolidated statement of cash flows for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies.

In our opinion, the consolidated financial statements give a true and fair view of the financial position of the Group as at 31 December 2020, and of its financial performance and its cash flows for the year then ended in accordance with International Financial Reporting Standards as adopted by the European Union and with the regulations issued for implementing art. 9 of Legislative Decree n. 38/2005.

### Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISA Italia). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Consolidated Financial Statements* section of our report. We are independent of Recordati Industria Chimica e Farmaceutica S.p.A. in accordance with the regulations and standards on ethics and independence applicable to audits of financial statements under Italian Laws. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### Other matters

The consolidated financial statements for the year ended 31 December 2019 have been audited by another auditor who expressed an unqualified opinion on the consolidated financial statements on 7 April 2020.

### Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We identified the following key audit matters:

Key Audit Matter	Audit Response
<p>Recoverability of goodwill</p> <p>The goodwill recognized in the consolidated financial statements of Recordati Group as of 31 December 2020 amounts to Euro 562 million. The goodwill originates from acquisitions made by the Group and it has been allocated to the individual Cash Generating Unit (CGU) identified on the basis of the business segments and the markets where acquired companies operate.</p> <p>At each financial statements date, or more frequently if needed, the directors verify the recoverability of goodwill by comparing the carrying amount with the related value in use of each CGU, determined discounting the expected cash flows. The processes as well as the methods of evaluation and calculation of the recoverable amount of each CGU, in terms of value in use, are based on assumptions, sometimes complex, which imply, by their nature, estimates by the directors, especially with regard to the forecast of future cash flows, the determination of the discount rates and growth rates adopted beyond the period with explicit forecasts.</p> <p>Considering the significance of the item, the judgment requested and the complexity of the assumptions adopted in the estimation of the recoverable amount of goodwill, we assessed this matter as a key audit matter.</p> <p>Financial statements disclosures related to this matter are reported in the note "2. Summary of accounting standards" and in particular in the note "9. Goodwill", which describes the composition of the balance as of 31 December 2020, as well as the allocation process to the various CGUs and the methodology applied to assess the recoverable amount of assets, with specific reference to the valuation methodology and the assumptions used.</p>	<p>Our audit procedures related to the key audit matter included, among the others:</p> <ul style="list-style-type: none"><li>i. the analysis of the procedure adopted by the Company and of the methodology applied in connection with the valuation of goodwill, taking into account the impairment test procedure approved by the Board of Directors of the parent company on 18 March 2021;</li><li>ii. the evaluation of the methodology used for the identification of the CGUs and the allocation of assets and liabilities to the individual CGUs;</li><li>iii. the analysis of the reasonableness of the expected cash flows;</li><li>iv. the assessment of the quality of forecasts as compared to the historical accuracy of the previous forecasts;</li><li>v. the sensitivity analysis on key assumptions in order to identify the changes in assumptions that could have a significant impact on the valuation of the recoverable amount.</li></ul> <p>Our procedures were performed with the support of our experts in valuation techniques, who analyzed the valuation methodologies adopted, verified the mathematical accuracy of the calculation models and evaluated the criteria adopted to determine the discount rates and growth rates applied beyond the period with explicit forecasts.</p> <p>Finally, we analyzed the disclosures provided in the consolidated financial statements of Recordati Group as of 31 December 2020.</p>

## Responsibilities of Directors and Those Charged with Governance for the Consolidated Financial Statements

The Directors are responsible for the preparation of the consolidated financial statements that give a true and fair view in accordance with International Financial Reporting Standards as adopted by the European Union and with the regulations issued for implementing art. 9 of Legislative Decree n. 38/2005, and, within the terms provided by the law, for such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

The Directors are responsible for assessing the Group's ability to continue as a going concern and, when preparing the consolidated financial statements, for the appropriateness of the going concern assumption, and for appropriate disclosure thereof. The Directors prepare the consolidated financial statements on a going concern basis unless they either intend to liquidate the Parent Company Recordati Industria Chimica e Farmaceutica S.p.A. or to cease operations or have no realistic alternative but to do so.

The statutory audit committee ("Collegio Sindacale") is responsible, within the terms provided by the law, for overseeing the Group's financial reporting process.

## Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with International Standards on Auditing (ISA Italia) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with International Standards on Auditing (ISA Italia), we have exercised professional judgment and maintained professional skepticism throughout the audit. In addition:

- we have identified and assessed the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, designed and performed audit procedures responsive to those risks, and obtained audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control;
- we have obtained an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Group's internal control;
- we have evaluated the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Directors;
- we have concluded on the appropriateness of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to consider this matter in forming our opinion. Our

conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern;

- we have evaluated the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- we have obtained sufficient appropriate audit evidence regarding the financial information of the entities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

We have communicated with those charged with governance, identified at an appropriate level as required by ISA Italia, regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We have provided those charged with governance with a statement that we have complied with the ethical and independence requirements applicable in Italy, and we have communicated with them all matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we have determined those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We have described these matters in our auditor's report.
