Point 3 of the Agenda:

3. Authorization to purchase and dispose of treasury shares, subject to revocation of the previous authorization granted by the Shareholders' Meeting on April 28, 2022; resolutions thereon.

Dear Shareholders,

we submit for your attention the proposed authorization to purchase and dispose of the Company's ordinary shares, pursuant to the combined provisions of Articles 2357 and 2357-ter of the Civil Code, as well as Article 132 of the CFA, Articles 144-bis and 144-bis.1 of the Issuers' Regulation, Regulation (EU) No. 596 of April 16, 2014 on market abuse ("**MAR**"), Delegated Regulation (EU) No. 1052 of March 8, 2016 on the conditions applicable to share buyback programs and stabilization measures (the "**Delegated Regulation**"), as well as in accordance with market practices applicable from time to time, as permitted under applicable law (the "**Admitted Practices**").

At the reporting date, the Company holds 2,567,539 treasury shares, equal to 4.79% of the share capital.

Therefore, we propose to resolve on the granting of an authorization to the Board of Directors for the purchase and disposal of the Company's ordinary shares under the terms described in this report, which has been prepared pursuant to Article 125-ter of the CFA and Article 73 of the Issuers' Regulation, with effect from the date of the Meeting's resolution, subject to revocation of the previous authorization granted by the Shareholders' Meeting on April 28, 2022.

Reasons for the requested authorization to purchase and dispose of treasury shares.

It is recalled that the Shareholders' Meeting of Piovan S.p.A. held on April 28, 2022 resolved to authorize (a) the purchase of the Company's treasury shares, on one or more occasions, up to a maximum number which, taking into account the ordinary Piovan shares held in the Company's portfolio by the Company and its subsidiaries, does not exceed a total of 10% of the Company's share capital, for the maximum period allowed by law (i.e. for a period of 18 months from the date of the motion approving the proposal by the Shareholders' Meeting); and (b) the disposal of the Company's treasury shares, without time limit, subject to the terms and conditions further specified in the above Shareholders' Meeting motion.

The authorization to purchase treasury shares would therefore expire on October 28, 2023. However, it is believed that the reasons for asking the Shareholders' Meeting at the time to authorize the purchase and disposition of treasury shares may still be considered valid.

In view of the opportunity of renewing this authorization for a further period, we propose you to issue a new authorization, for a similar period of 18 months, effective from the date of the relevant motion, subject to revocation of the previous authorization resolution, for the portion not yet executed.

The request referred to in this Agenda item is therefore aimed at allowing the Company to purchase and dispose of ordinary shares, in strict compliance with current EU and national regulations and including, among others, the Admitted Practices, for the following purposes:

- (i) to conduct sales, exchanges, contributions or other act of disposal and/or use, with other parties as part of transactions in the interest of the Company, including the servicing of extraordinary corporate transactions, bonds convertible into Company shares or mandatory loans with warrants;
- (ii) use to service existing and future remuneration and incentive plans, based on financial instruments and reserved for directors and employees or collaborators of the Company and/or its direct or indirect subsidiaries, both through the free granting of purchase options and through the free allocation of shares (stock option and stock grant plans) pursuant to Article 114-*bis* of the CFA, as well as scrip issues to shareholders; and
- (iii) to undertake transactions in support of market liquidity, ensuring fluid trading and preventing price movements not in line with the market.

The authorization request also includes the power of the Board of Directors to carry out repeated and subsequent purchases and sales (or other acts of disposal) of treasury shares, also on a revolving basis, also for fractions of the maximum quantity authorized, so that, in any case, the quantity of shares subject to the proposed purchase and owned by the Company does not exceed the limits set out by the law and by the authorization of the Shareholders' Meeting, it being understood that the transactions shall be carried out in compliance with the applicable provisions of law, including regulations, and the Admitted Practices from time to time in force.

Maximum number, category and par value of the shares to which the authorization refers.

The authorization is requested for the purchase, also in a number of tranches and to be freely determinable, of ordinary Piovan shares without par value, up to a maximum number which, taking account of the ordinary Piovan shares which may be held in portfolio by the Company and by its subsidiary, does not exceed overall 10% of the share capital of the Company, in accordance with Article 2357, paragraph 3, of the Civil Code.

At the reporting date, the share capital of Piovan S.p.A. amounted to Euro 6,000,000.00, entirely subscribed and paid-in, comprising 53,600,000 ordinary shares, without par value.

Moreover, it should be noted that, at the reporting date, the Company holds 2,567,539 treasury shares, equal to 4.79% of the share capital, while its subsidiaries do not hold any Piovan shares.

Useful information for a comprehensive review of compliance with the provision under Article 2357, paragraph 1, of the Civil Code.

Pursuant to Article 2357, paragraph 1, of the Civil Code, treasury share purchases may only be made within the thresholds of the distributable profits and the available reserves resulting from the latest approved financial statements at the time of each transaction. Only fully paid shares may be purchased.

The Board of Directors will be required to verify compliance with the thresholds set forth in Article 2357 of the Civil Code prior to the initiation of each purchase of ordinary shares for the purposes set forth in this report.

In order to allow for assessments on the subsidiaries, specific directives will be given to the latter to ensure prompt notification to the Company of any purchase of ordinary shares of the parent company carried out pursuant to Article 2359-*bis* of the Civil Code.

The provisions of the law and the accounting standards applicable from time to time shall be observed for the purposes of the accounting entries to be made when shares are purchased, sold, exchanged, transferred or written down. In case of disposal, exchange, contribution or write-down, the corresponding amount may be reused for further purchases, until the expiry of the authorization term approved by the Shareholders' Meeting, within the conditions, quantitative and spending limits set out by the same Meeting.

Duration of the requested authorization.

The authorization to purchase treasury shares is requested for the maximum duration allowed by the applicable regulations (Article 2357, paragraph 2, of the Civil Code), i.e. for a period of 18 months starting from the date of the approval of this proposal by the Shareholders' Meeting, and therefore until October 27, 2024.

Within the limits of the term of the authorization possibly granted, the Board of Directors may then make share purchases on one or more occasions and at any time, in an amount and at times freely determined, in accordance with the terms and conditions of the shareholders' authorization and applicable regulations, in the manner deemed appropriate in the interests of the Company.

The authorization to dispose of and/or use treasury shares that may have been purchased or which the Company already holds in portfolio is requested without time limits, given the absence of time limits pursuant to current regulations and the opportunity to allow the Board of Directors to make use of the maximum flexibility to dispose of the shares.

Minimum and maximum purchase price for the treasury shares.

The Board of Directors proposes that the purchase price be identified on a case-by-case basis, having regard to the method chosen to carry out the transaction, and in compliance with legal and regulatory requirements, as well as Admitted Practices, from time to time in force, where applicable. In all cases, purchases must be made:

- (i) at a share price that does not deviate downward or upward by more than 20% from the reference price recorded by the stock on the Stock Exchange session of the day preceding each individual transaction, and in any case
- (ii) at a price that does not exceed the higher between the price of the last independent transaction and the price of the highest independent current purchase offer during the trading session in which the purchase is made.

The authorization to dispose of the shares purchased pursuant to Article 2357 of the Civil Code, or those held in portfolio by the Company including following purchases already carried out on the basis of previous authorizations, is requested within the limits allowed by the legal and regulatory provisions and by the Admitted Practices, where applicable, and by the regulations issued by Borsa Italiana S.p.A., without any time constraint:

- (i) at a price established, from time to time, by the Board of Directors in accordance with convenience criteria, and providing that the price must optimize the economic benefit for the Company, where the shares are destined for (i) transactions supporting market liquidity, so as to favor the regular course of negotiations and avoid price movements not in line with market trends; or (ii) transactions of sale, exchange, contribution or other act of disposal of treasury shares for the acquisition of equity investments and/or real estate and/or the conclusion of agreements (including commercial agreements) with strategic partners, and/or the implementation of industrial projects or extraordinary financial transactions, which are part of the expansion objectives of the Company and Piovan Group;
- (ii) at a price no more than 20% higher and no less than 20% lower than the official stock exchange prices recorded in the stock exchange session preceding the sale transaction, as established by the Board of Directors having taken into account the nature of the transaction and the relevant best practices; or
- (iii) as part of share incentive plans, in accordance with the procedures and terms indicated in the regulations of the plans in question.

The Board of Directors proposes to be authorized to sell, dispose of and/or use, pursuant to Article 2357-ter of the Civil Code, for any reason and at any time, in whole or in part, on one or more occasions, the treasury shares purchased in implementation of the authorization that may be granted by the Shareholders' Meeting, for the purposes indicated in this report, according to the terms and conditions

Modalities for carrying out the purchases and disposals.

Purchase transactions of treasury shares will be carried out on regulated markets, according to the operating procedures set out in the organizational and management regulations of those markets, in compliance with current legislation and, in particular, with Article 132 of the CFA - with particular reference to the principle of equal treatment of Shareholders -, with Article 144-*bis*, paragraph 1, of the Issuers' Regulation, with the EU and national regulations on market abuse in force from time to time and, therefore, *inter alia*, with the MAR, the Delegated Regulation, as well as with the Admitted Practices.

- (iii) by granting to the Shareholders - in proportion to the shares held - a put option to be exercised within a period corresponding to the duration of the Meeting's authorization to purchase treasury shares.

Where convenient for the Board of Directors, purchases may be made according to methods differing from those indicated above, as long as permitted and/or compatible with the applicable legislative and regulatory rules, taking account of the need to comply with the principle of the equal treatment of shareholders. Dear Shareholders,

following the resignation of Mr. Marco Stevanato from his position as a member of the Board of Directors, tendered on January 26, 2023 with immediate effect, the Board of Directors of the Company held on March 21, 2023 co-opted his replacement pursuant to Article 2386 of the Civil Code and Article 14.4 of the By-Laws.

It is recalled that the Board of Directors in office was appointed by the Shareholders' Meeting held on April 29, 2021, effective until the approval of the financial statements for the year ending December 31, 2023, and that only the slate from the majority slate shareholder Pentafin S.p.A. was presented at that Meeting.

Following the resignation of Mr. Marco Stevanato, it was not possible to obtain additional candidates to be co-opted from the slate, as no further candidates to those subsequently elected were originally indicated. Accordingly, the Board of Directors decided to co-opt Mr. Maurizio Bazzo as a Director of the Company, effective March 21, 2023 and until the first available Shareholders' Meeting.

At the time of the appointment motions, the Board of Directors, on the basis of the statements provided by Mr. Maurizio Bazzo verified (i) the possession of the requirements of integrity provided by the applicable regulations and the absence of causes for incompatibility and ineligibility and (ii) the possession of the independence requirements provided for by the combined provisions of Article 147-ter, paragraph 4, and Article 148, paragraph 3, of Legislative Decree No. 58 of February 24, 1998, and Recommendation 7 of the Corporate Governance Code issued by the Corporate Governance Committee of Borsa Italiana S.p.A.

Pursuant to Article 2386, paragraph 3, of the Civil Code, Directors appointed by co-optation remain in office until the next Shareholders' Meeting. As such, Mr. Maurizio Bazzo will cease to serve as Director at the Company's Shareholders' Meeting called for April 27, 2023.

In light of the above, we therefore propose that you appoint Mr. Maurizio Bazzo as a member of the Board of Directors, with a term of office until the natural conclusion of the current Board and, therefore, until the date of the Shareholders' Meeting called to approve the financial statements for the year ending December 31, 2023.

In compliance with the provisions of current regulations and in line with the recommendations of the Corporate Governance Code, we invite you to examine the *curriculum vitae* of Mr. Maurizio Bazzo and the statements in which he certifies his willingness to accept the appointment, the absence of grounds for ineligibility or disqualification, as well as his possession of the requirements provided for by current
