Avio is a leading international group engaged in the construction and development of space launchers and solid, liquid and cryogenic propulsion systems. The experience and know-how built up over more than 50 years puts Avio at the cutting-edge of the space launcher sector and defense program. Avio is present in Italy, France, United States and French Guyana, employing approx. 1,500 highly qualified personnel. Avio is the launch services provider and launch operator for the Vega rocket and a sub-contractor for the Ariane program, placing Italy among the limited number of countries capable of designing, producing and operating a complete space launch system.
