Solely for the purposes of the product governance requirements contained within: (a) EU Directive 2014/65/EU on markets in financial instruments, as amended (“MiFID II”); (b) Articles 9 and 10 of Commission Delegated Directive (EU) 2017/593 supplementing MiFID II; and (c) local implementing measures (together, the “MiFID II Product Governance Requirements”), (d) Regulation (EU) No 600/2014 as it forms part of United Kingdom domestic law by virtue of the EUWA European Union (Withdrawal) Act 2018 (“EUWA”) (“UK MiFIR”); and (e) the FCA Handbook Product Intervention and Product Governance Sourcebook (together, the “**Product Governance Requirements**”), and disclaiming all and any liability, whether arising in tort, contract or otherwise, which any “manufacturer” (for the purposes of the Product Governance Requirements) may otherwise have with respect thereto, the Offer Shares have been subject to a product approval process, which has determined that: (i) the target market for the Offer Shares (a) in the EEA, retail investors, eligible counterparties and professional clients only, each as defined in MiFID II and (b) in the United Kingdom, retail investors, eligible counterparties (as defined in the FCA Handbook Conduct of Business Sourcebook) and professional clients (as defined in UK MiFIR); and (ii) for distribution through all distribution channels as are permitted by MiFID II and UK MiFIR (as applicable) of the Offer Shares to eligible counterparties and professional clients are appropriate (the “**Target Market Assessment**”). Any person subsequently offering, selling or recommending the Offer Shares (a “distributor”) should take into consideration the manufacturers’ Target Market Assessment; however, a distributor subject to MiFID II or the UK MiFIR and Product Governance Sourcebook (as applicable) is responsible for undertaking its own target market assessment in respect of the Offer Shares (by either adopting or refining the manufacturers’ target market assessment) and determining appropriate distribution channels. Notwithstanding the Target Market Assessment, distributors should note that: the price of the Offer Shares may decline and investors could lose all or part of their investment; the Offer Shares offer no guaranteed income and no capital protection; and an investment in the Offer Shares is compatible only with investors who do not need a guaranteed income or capital protection, who (either alone or in conjunction with an appropriate financial or other adviser) are capable of evaluating the merits and risks of such an investment and who have sufficient resources to be able to bear any losses that may result therefrom. The target market assessment is without prejudice to the requirements of any contractual, legal or regulatory selling restrictions in relation to the Offering. Furthermore, notwithstanding the Target Market Assessment, the Joint Global Coordinators and Joint Bookrunners will only procure investors that meet the criteria of professional clients and eligible counterparties. For the avoidance of doubt, the Target Market Assessment does not constitute: (a) an assessment of suitability or appropriateness for the purposes of MiFID II or UK MiFIR (as applicable); or (b) a recommendation to any investor or group of investors to invest in, or purchase, or take any other action whatsoever with respect to the Offer Shares. Each distributor is responsible for undertaking its own target market assessment in respect of the Offer Shares and determining appropriate distribution channels.
