## **Report on review of condensed interim consolidated financial statements**

To the shareholders of  
Elica S.p.A.

### **Introduction**

We have reviewed the accompanying condensed interim consolidated financial statements of the Elica Group, comprising the income statement, statement of comprehensive income, statement of financial position, statement of changes in equity, statement of cash flows and notes thereto, as at and for the six months ended 30 June 2015. The parent's directors are responsible for the preparation of these condensed interim consolidated financial statements in accordance with the International Financial Reporting Standard applicable to interim financial reporting (IAS 34), endorsed by the European Union. Our responsibility is to express a conclusion on these condensed interim consolidated financial statements based on our review.

### **Scope of Review**

We conducted our review in accordance with Consob (the Italian Commission for Listed Companies and the Stock Exchange) guidelines set out in Consob resolution no. 10867 dated 31 July 1997. A review of condensed interim consolidated financial statements consists of making inquiries, primarily of persons responsible for financial and accounting matters, applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing (ISA Italia) and, consequently, does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion on the condensed interim consolidated financial statements.

### **Conclusion**

Based on our review, nothing has come to our attention that causes us to believe that the condensed interim consolidated financial statements of the Elica Group as at and for the six months ended 30 June 2015 have not been prepared, in all material respects, in accordance with the International Financial Reporting Standard applicable to interim financial reporting (IAS 34), endorsed by the European Union.

### **Other Matter**

The consolidated financial statements of the previous year and the condensed interim consolidated financial statements as at and for the six months ended 30 June 2014 have been respectively audited and reviewed by another auditor who expressed an unmodified opinion on the consolidated financial statements and an unmodified conclusion on the condensed interim consolidated financial statements on 7 April 2015 and on 29 August 2014, respectively.
