Decree No. 58 of February 24, 1998, under which the additional financial disclosure is required to provide a general balance sheet and operating overview of the issuer and its subsidiaries in the period, in addition to an outline of significant events and operations in the period and their impact on the balance sheet of the issuer and of its subsidiaries.

Fabriano, December 14, 2022

The Chairman
 Francesco Casoli

Elica, a market player since the 1970's, is the leading global manufacturer of range hoods and extractor hobs and of motors for domestic ventilation. Chaired by Francesco Casoli and led by Giulio Cocci, the Group has seven plants, including in Italy, Poland, Mexico and China and employs more than 3,100 people. With many years' experience in the sector, Elica has combined meticulous care for design with judicious choice of high-quality materials and cutting-edge technology to guarantee maximum efficiency and low energy consumption, making the Elica Group the prominent market figure it is today. This has enabled the Group to revolutionise the traditional image of kitchen hoods: they are no longer seen as a simple accessory but as a design element that improves the quality of life.
