Elica, a market player for over 50 years, is the leading global manufacturer of kitchen aspiration systems, thanks to the production of range hoods and extractor hobs. It is also the leading European manufacturer of electric motors for home appliances and heating boilers. Chaired by Francesco Casoli and led by Giulio Cocci, the Group has seven plants, including in Italy, Poland, Mexico and China and employs approx. 3,000 people. A meticulous care for design and a judicious choice of high-quality materials and cutting-edge technology to guarantee maximum efficiency and low energy consumption make the Elica Group the prominent market figure it is today. This has enabled the Group to revolutionise the traditional image of kitchen extractor systems: they are no longer seen as a simple accessory but as a design element that improves the quality of life.
