Appointment of the Corporate Boards

The By-Laws require that the Board of Directors and the Board of Statutory Auditors are appointed from slates of candidates. The rules and the procedures concerning the slates of candidates, in addition to the accompanying documentation, are established at Articles 13 (Board of Directors and Executive Bodies) and 17 (Board of Statutory Auditors) of the By-Laws, available on the company website www.basicnet.com in the Corporate Governance section.

The slates of candidates should be filed at the registered office of the Company, or by fax to +39 0112617354, or to the certified e-mail address basicnet@legalmail.it, accompanied by the relative documentation, by the twenty-fifth day before the day of the Shareholders' Meeting, therefore March 23, 2025, by shareholders who, alone or together with other shareholders, hold at least 4.5% of the share capital (as established by Consob through its Executive Resolution No. 123 of January 28, 2025).

The holding, at the presentation date of the slate, should be corroborated by the relevant communications produced by the filing intermediary and sent by e-mail to basicnet@pecserviziottoli.it, also subsequent to filing, although by the deadline for the publication of slates by the Issuer, therefore March 27, 2025.

With regard to slates of candidates for the appointment of the Board of Statutory Auditors, where only one slate is filed by March 23, 2025, or only related slates in accordance with the applicable regulation, further slates may be presented until March 26, 2025, with the minimum percentage for the presentation of such slates reduced to 2.25% of the share capital.

Each shareholder, in addition to shareholders belonging to the same group, in accordance with Article 2359 of the Civil Code and the parties belonging to, also through subsidiaries, a shareholders' agreement in accordance with Article 122 of Legislative Decree No. 58/98 (CFA), may not present, nor through nominees of trust companies, more than one slate. In the case of violation, no consideration is taken of the vote of the shareholder for any slate presented. Each shareholder may vote for only one slate.

The slates presenting a number of candidates of three or above must include candidates belonging to both genders, so that the under-represented gender comprises at least two fifths of the candidates (rounding up for the slates for the renewal of the Board of Directors and rounding down for those for the renewal of the Board of Statutory Auditors).

The slates or the candidatures which have not complied with all of the legal and statutory provisions will be considered as not presented.

The slates filed will be made available to the public at the registered office of the Company, in addition to the website www.banicnet.com and on the 1info authorised storage site (www.1info.it) at least 21 days before the date of the Shareholders' Meeting.

In accordance with Consob Communication No. 3/2020 of April 10, 2020, specific note should be taken of the importance that - as regards Shareholders' Meetings held for the renewal of corporate boards specifically - those who submit slates of candidates for the appointment of Directors and Statutory Auditors indicate the candidate whom they intend to propose to the Meeting as Chairperson (in the event that only one slate is presented for the Board of Statutory Auditors) and proposals regarding remuneration.

Appointment of the Board of Directors

The appointment of the Board of Directors takes place, in accordance with Article 13 of the By-Laws, on the basis of slates presented by shareholders, in which the candidates should be listed by progressive numbering.

The slates of the presenting shareholders should be accompanied by extensive information on the personal and professional background of the candidates.

Together with each slate, declarations in which the individual candidates accept their candidature must be filed at the company's registered office, stating in good faith the absence of reasons for ineligibility and incompatibility, as well as the fulfilment of the requirements for the respective positions, including any declarations confirming their independence as per applicable law, in addition to information on directorships held in other companies.

Each list must therefore include candidates who meet said independence requirements, since at least two elected members of the Board of Directors must be declared independent. Each candidate may be presented on only one slate at the risk of being declared ineligible.

Appointment of the Board of Statutory Auditors

The appointment of the Board of Statutory Auditors will take place according to the presentation of slates by shareholders in which the candidates are listed by progressive numbering. The slate is composed of two sections: one for the candidates for the office of Statutory Auditor and the other for candidates for the office of Alternate Auditor.

Each candidate may be presented on only one slate at the risk of being declared ineligible.

Candidates may not be included on the slates if they already hold a greater number of Statutory Auditor positions than permitted by the regulatory or legal provisions.

The outgoing Statutory Auditors may be re-elected.

The slates should be accompanied by exhaustive disclosure on the personal and professional background of the candidates, with indication of the presenting shareholders and the overall share capital holding, in addition to the declaration of shareholders other than those who hold, also jointly, a controlling or relative majority holding, declaring the absence of connecting relationships as per the applicable regulations, with these latter, or where in existence, the reasons why such are considered relevant.

Together with each slate, a declaration in which the individual candidates accept their candidature must be filed, stating in good faith the absence of reasons for ineligibility and incompatibility, as well as the existence of the requisites for the respective positions, in addition to information on directorships held in other companies.

Documentation and other information

The Directors' reports with the full text of the proposed motions and the further Shareholders' Meeting documentation required by the applicable regulations will be made available on the authorised storage mechanism 1info (www.1info.it) and on the Company's website (www.basicnet.com) in accordance with the timeframe required by applicable law.
