1

Reggio Emilia, 27 January 2020 – Today Fitch Ratings Agency has confirmed the BBB investment grade rating for IREN with a stable outlook. The assessment is mainly based on the update of the business plan to 2024, which, in continuity with previous years, confirms the prevalence of regulated and quasi-regulated activities, over 70% of EBITDA, by the end of the plan.

Fitch also positively assesses the strengthening of the Group’s financial ratios and liquidity profile.
