TONY G CO-INVESTMENT ANNOUNCES PURCHASE OF ADDITIONAL 10,000 HYPERLIQUID TOKENS

Toronto, Ontario – June 18, 2025 –Tony G Co-Investment Holdings Ltd. (the "**Company**") (CSE: TONY) is pleased to announce that it has completed the purchase of an aggregate of 10,000 HyperLiquid's HYPE token (the "**Tokens**"), the native asset of the HyperLiquid ecosystem, as part of its long-term digital asset strategy, at an average purchase price of US$41.12 per Token (total purchase price of US$411,200). As of the date hereof, the Company currently holds an aggregate of 20,387.685 Tokens.

The acquisition marks the Company's second acquisition within the HyperLiquid ecosystem and expanding its footprint in the growing decentralized finance (DeFi) space. The Company acquired the Tokens via WonderFi Technologies Inc. (TSX: WNDR), a leading Canadian digital asset platform and regulated cryptocurrency marketplace operator.

"This marks our second strategic purchase of 10,000 HYPE tokens, further reinforcing our conviction in Hyperliquid as the future of onchain trading. As HYLQ Strategy builds a HYPE-denominated treasury, we remain committed to providing public market investors with exposure to the HyperLiquid ecosystem." – Matt Zahab, CEO of HYLQ Strategy Corp
