I, Kirk Hanson, P.E., am employed as a Principal Engineer with AMEC E&C Services Inc.

This certificate applies to the Technical Report entitled This certificate applies to the technical report entitled "Pediment Gold Corporation San Antonio Project, Baja California Sur, Mexico, NI 43-101 Technical Report on Preliminary Assessment", and dated 2 August 2010, the ("Technical Report").

I am a registered as a Professional Engineer in the states of Idaho (11063), Alaska (12126), and Nevada (10640).

I graduated with a B.Sc. degree from Montana Tech of the University of Montana, Butte, Montana in 1989 and from Boise State University, Boise, Idaho with a MBA in 2003.

As a result of my experience and qualifications, I am a Qualified Person as defined in National Instrument 43-101 *Standards of Disclosure for Mineral Projects* (NI 43-101).

I visited the San Antonio Project between March 30 and 31, 2010.

I am responsible for Sections 1, 2, 3, 4, 5, 18, 19, 20, 21, 22, and 23, and those portions of the Summary, Conclusions and Recommendations that pertain to these sections, of the Technical Report.

I am independent of Pediment Gold Corporation as independence is described by Section 1.4 of NI 43-101.

I have been involved with the San Antonio Project in 2010 during the preparation of the Technical Report, where I reviewed the mining and financial data, and as the project manager of a Preliminary Assessment performed on the project.

I have read NI 43-101 and this report has been prepared in compliance with that Instrument.

As of the date of this certificate, to the best of my knowledge, information and belief, the technical report contains all scientific and technical information that is required to be disclosed to make the technical report not misleading.

"signed and sealed"

Kirk Hanson, P.E.

Date: 3 August 2010
