Advanced Explorations Inc. Announces Additional Director and Non-Brokered Private Placement

The Board of Directors of Advanced Explorations Inc. (TSX Venture – AXI.H) is pleased to announce the appointment of Lyndon Bradish as a Director, to advise and direct the company in the development of their hyperspectral program.

Lyndon Bradish brings over 30 years of worldwide exploration experience to AEI. He is currently the President and CEO of Walloper Gold Resources Ltd. Previously, Mr. Bradish was the managing director of Noranda Pacific Ltd. (Australia) and Noranda Asia Ltd. (Hong Kong). Mr. Bradish is also currently the President and director of Manila Mining Corporation, and a director of Lepanto Mining Co, based in the Philippines.

The Company is preparing to issue a total of 660,000 options to directors and consultants, out of a total of 810,000 reserved at a price of $0.51. Options are granted as of March 14, 2005 vesting immediately, and are good for a period of 5 years.

AEI is also raising $350,000 through a non-brokered private placement at $0.50 per unit where each unit comprises one share and one share purchase warrant exercisable at $1.00, for a term of 1 year. Any shares issued in connection with the private placement will have a 4 month hold.

AEI is currently being reactivated as a technology-based company, with a focus on providing these technologies to the global mineral exploration industry. Currently, AEI is in discussion with a number of companies with a strategy to provide a unique set of technological capabilities to the mineral industry. Shareholders will be advised if and when any progress or decisions are reached.
