Re: OroAndes Resource Corp. (the "Company")

The undersigned hereby consents to the public filing of the technical report titled "*NI 43-101 Technical Report on the Kilometre 26 Property, Omineca Mining Division, B.C., with Recommendations for Continuing Exploration*" and dated October 20, 2011 (the "**Technical Report**"), with each of the Alberta Securities Commission, the British Columbia Securities Commission and the Ontario Securities Commission and with the TSX Venture Exchange under its applicable policies and forms in connection with the proposed acquisition by the Company from Eastfield Resources Ltd. of 100% of the Kilometre 26 Property and I acknowledge that the Technical Report will become part of the Company's public record.

The undersigned further consents to the inclusion of excerpts from the Technical Report in the news release of the Company dated September 12, 2011 (the "**News Release**") and the Management Information Circular of the Company dated September 30, 2011 (the "**Circular**"), and to references to the Technical Report in the News Release and the Circular. The undersigned also hereby confirms that I have read the News Release and the Circular and the written disclosure fairly and accurately represents the information in the Technical Report that supports the disclosure and I have no reason to believe that there are any misrepresentations in the information contained therein that is derived from the Technical Report or of which I am otherwise aware.

Dated: November 10, 2011
