

PRESS RELEASE

Public disclosure requirements

San Mauro Torinese, February 22, 2023 – Fidia - a leading Group in numerical control technology and integrated systems for the calculation, scanning and milling of complex shapes, listed on Euronext Milan - has made available to the public Annual Reports for the financial years 2020 and 2021 and Half Year Results as of 30 June 2022 in English by depositing them at the Company's Registered Office, through publication on its website http://www.fidia.it/en/investor-relations_en/financial-statement/ and on 1Info Sdir & Storage platform.

**

***Fidia S.p.A.**, is a company listed on Euronext Milan (EXM), with headquarters in San Mauro Torinese (TO). It is one of the world's leading companies in the design, production and distribution of high-performance integrated milling systems, applied mainly in the automotive moulds and dies sector and in the aerospace industry. With over 40 years of experience and around 200 employees, Fidia Group stands out as one of the few industrial companies able to offer solutions covering the entire milling process, from the definition of the machining programme to the finished product. Fidia manufactures, sells and maintains all around the world: numerical controls for milling systems, high-speed milling systems, CAM software for milling complex shapes.*
