Item 4. Summary of Material Change

International StarTeck Industries Ltd is pleased to announce that it has finalized a 50% partnership agreement with Anabatic Manufacturing CC, located in Cape Town, South Africa. The current South African housing market requires 50,000 new housing units annually. This partnership presents an opportunity to enter this market.

Item 5. Full Description of Material Change

The agreement will implement the development of initial architectural designs formulated for the South African market. The initial partnership will begin marketing research with the intention to construct and have in place by August of 2001, the first joint show home in Cape Town, South Africa to be marketed by both companies. The initial objective of the partnership is to obtain a minimum of five housing orders by the end of fiscal 2001.

An agreement has also been reached to import and export certain marketable commodities, which at this point are being analyzed and researched for future mutual business benefit.

The partnership will be re-evaluated on a quarterly basis and regular progress reports will be provided.
