Item 3. Press Releases

February 26, 2002.

Item 4. Summary of Material Change

International StarTeck Industries Ltd. (the "Company") is pleased to announce that it is now marketing 11' wide (407 square feet) and 12' wide (445 square feet) homes and a variety of cabins on its www.topqualityhomes.com website to prospective clients worldwide.

Item 5. Full Description of Material Change

The 11' and 12' wide manufactured homes are ideal models for export, as well as the domestic market, as they are affordable and can be used for recreational properties, construction sites, offices and other types of commercial use. They can be easily transported to most sites.

Potential customers are able to select manufactured homes and cabins of all sizes and types directly from the Company at wholesale online prices, instead of having to go through dealers and distributors.

International StarTeck guarantees that all inquiries will be answered with prompt and reliable service, complete with delivery cost and arrival date.

To access the wide selection of homes, cabins and disaster relief structures, visit www.topqualityhomes.com and click on "Search for a Home."
