Clarification from Reko International Group Inc. (TSX-V: REKO) of recent media reports

(Windsor, Ontario – June 29, 2017) – Media reports were disseminated earlier today regarding a potential expansion of our Lakeshore, Ontario facility.

While discussions and negotiations as to such potential expansion are ongoing, there are not, as of yet, any definitive plans or agreements, and the plans for such expansion are subject to the completion of negotiations and entering into definitive agreements.

There is no assurance that such agreements will ever be finalized or that any expansion will proceed.

Neither TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.

About Reko International Group Inc.

Reko International Group Inc. (TSX-V:REKO) is a diversified, technology-driven manufacturing organization located in Southwestern Ontario, just minutes from the U.S. border. Areas of expertise include robotic factory automation solutions, the precision machining of large, critical parts, and plastic injection and low compression acoustic tooling. Reko's family-oriented culture embraces past experience, fosters innovation, and always ensures the highest standard of quality. Reko believes in strengthening communities by advancing manufacturing. For more information, visit www.rekointl.com, or contact Marilyn Crowley, Chief Financial Officer at (519) 727-3287.
