**REKO INTERNATIONAL GROUP ANNOUNCES
EXPANSION AS PART OF GROWTH STRATEGY**

(Windsor, Ontario – August 2, 2017) - Reko International Group Inc. (TSX-V: REKO) today announced its plans for the construction of a new manufacturing and innovation facility. The building, which will encompass over 40,000 square feet of production space, will be adjacent to its current premises on Silver Creek Industrial Drive in Lakeshore, ON.

Construction is expected to cost approximately \$5.5 million and should be complete early in 2018, allowing Reko to expand its offerings of automation equipment, molds and machining services to current and new customers.

Neither TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.

About Reko International Group Inc.

Reko International Group Inc. (TSX-V:REKO) is a diversified, technology-driven manufacturing organization located in Southwestern Ontario, just minutes from the U.S. border. Areas of expertise include robotic factory automation solutions, the precision machining of large, critical parts, and plastic injection and low compression acoustic tooling. Reko's family-oriented culture embraces past experience, fosters innovation, and always ensures the highest standard of quality. Reko believes in strengthening communities by advancing manufacturing.
