**REKO INTERNATIONAL GROUP ANNOUNCES
APPOINTMENT OF DIRECTOR OF AUTOMATION
DIVISION**

(Windsor, Ontario – December 5, 2017) - Reko International Group Inc. (TSX-V: REKO) is pleased to announce that Mark Read has joined Reko's executive team as Director of the Automation Division. He is replacing Rick Stone, who is retiring after almost 29 years of service.

Mark has 31 years of experience in the Automation Industry including senior positions at ATS Automation in the Automotive, Life Science and Energy sectors.

His diverse experience and leadership expertise will be another important factor in the successful growth and diversification of our Automation division. He will be joining our innovative team that designs, builds, installs and supports robotic and non-robotic automation equipment globally. Mark arrives at an exciting time, as Reko's Automation Division is getting ready to move into its new facility in early 2018.

Neither TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.

About Reko International Group Inc.

Reko International Group Inc. (TSX-V:REKO) is a diversified, technology-driven manufacturing organization located in Southwestern Ontario, just minutes from the U.S. border. Areas of expertise include robotic factory automation solutions, the precision machining of large, critical parts, and plastic injection and low compression acoustic tooling. Reko's family-oriented culture embraces past experience, fosters innovation, and always ensures the highest standard of quality. Reko believes in strengthening communities by advancing manufacturing.
