Algoma owns and operates the largest fleet of dry and liquid bulk carriers operating on the Great Lakes - St. Lawrence Waterway, including self-unloading dry-bulk carriers, gearless dry-bulk carriers and product tankers. Since 2010 we have introduced 10 new build vessels to our domestic dry-bulk fleet, with one under construction and expected to arrive in 2024, making us the youngest, most efficient and environmentally sustainable fleet on the Great Lakes. Each new vessel reduces carbon emissions on average by 40% versus the ship replaced. Algoma also owns ocean self-unloading dry-bulk vessels operating in international markets and a 50% interest in NovaAlgoma, which owns and operates a diversified portfolio of dry-bulk fleets serving customers internationally. Algoma truly is *Your Marine Carrier of Choice™*. For more information about Algoma, visit the Company's website at www.algonet.com
