MATERIAL CHANGE REPORT

Item 1	Reporting Issuer	Electrohome Limited 809 Wellington Street North Kitchener, Ontario N2G 4J6
Item 2	Date of material change	November 16, 2005
Item 3	Press Release	Issued November 17, 2005 through the Canadian Disclosure Network of Canada News Wire
Item 4	Summary of Material Change	Electrohome Limited ("Electrohome") announced today that that its Class X voting shares and its Class Y non-voting shares will be de-listed from the TSX, in accordance with Electrohome's announcement on September 20, 2005, and that such shares will commence trading on the NEX board of the TSX Venture Exchange effective as of the opening of business on Monday, November 21, 2005.
Item 5	Full Description of Material Change	

Kitchener, Ontario – Electrohome Limited ("Electrohome") announced today that that its Class X voting shares and its Class Y non-voting shares will be de-listed from the TSX, in accordance with Electrohome's announcement on September 20, 2005, and that such shares will commence trading on the NEX board of the TSX Venture Exchange effective as of the opening of business on Monday, November 21, 2005. The share symbols have been modified slightly as follows:

Class X voting shares - old symbol – ELL.X
- new symbol – ELL.H

Class Y non-voting shares - old symbol – ELL.NV.Y
- new symbol – ELL.NV.H

Trading on the NEX open auction market takes place on the same fully electronic system as TSX Venture Exchange, and is governed by identical trading rules. Quotes can be found on the NEX website at http://www.tsx.com/en/nex/index.html.

Electrohome's business is principally that of a holding company with a 31% interest in Mechdyne Corporation (operating as Fakespace Systems) which is the largest international company operating exclusively in the advanced visualization marketplace and a 6% interest in Immersion Studios Inc. which provides hardware and in-house developed software for specialty digital interactive cinema and for unique simulations, training venues and education forums. Electrohome also receives royalty income under two licensing agreements for the use of the Electrohome brand name and trademarks. As well, Electrohome may benefit from an interest in one small remaining piece of real estate, its pension surpluses and tax losses. Electrohome's obligations primarily consist of retirement benefits and the environmental remediation of a property occupied by one of Electrohome's prior operations.

The TSX Venture Exchange does not accept responsibility for the adequacy or accuracy of this release.
