FOR IMMEDIATE RELEASE

DEVTEK SELLS TELECOMMUNICATIONS OPERATION TO SANMINA CORPORATION

MARKHAM, ONTARIO - October 5, 1999 -- Devtek Corporation announced today that its Board of Directors has approved an agreement with California based Sanmina Corporation for the sale of Devtek Electronic Packaging Systems (DEPS), its telecommunications operation, for proceeds of approximately $40M, subject to final adjustment of intercorporate debt. Magtron, DEPS precision products operation, was excluded from the sale and will remain within Devtek=s aerospace operations.

AWe believe the offer by Sanmina to purchase DEPS came at an opportune time given the consolidation that is occurring in the telecommunications industry worldwide. The sale will allow Devtek to focus its management and resources on its aerospace operations and on its 50% joint venture investment in technology based GFI Control Systems. We have, and continue to remain committed to pursue all opportunities to increase shareholders= value@, stated Helmut Hofmann, Chairman and CEO.

- 30 -

Devtek manufacturers systems and components for the aerospace industry and has a 50% joint venture in an alternative fuels technology based company.
