Replenish Nutrients Announces Steven Glover as Special Advisor to the Board and Director Nominee

OKOTOKS, AB, April 7, 2026 /CNW/ - Replenish Nutrients Holding Corp. (CSE: ERTH) (OTC: VVIVF) ("Replenish" or the "Company"), a leader in regenerative agriculture solutions, is pleased to announce that Steven Glover, FCPA, FCA, will join the Company as a Special Advisor to the Board of Directors, effective April 7, 2026. Mr. Glover will be nominated for election to the Company's Board of Directors at its upcoming Annual General Meeting on June 19, 2026.

Mr. Glover is an independent director nominee. Upon election, it is anticipated that he will serve as the Company's audit committee chair. Mr. Glover brings nearly five decades of experience in accounting, financial oversight, and public-company governance, with a career spanning senior executive roles, regulatory and professional leadership, and extensive board and audit committee service.

Mr. Glover currently serves as Lead Director and Audit Committee Chair of Genesis Land Development Corp. (TSX: GDC), where he provides oversight of financial reporting, enterprise risk management, and governance practices within a publicly traded environment. In addition to his professional background, Mr. Glover brings a deep personal connection to agriculture, having been raised on a multi-generation family farm in Ontario with direct experience in dairy, livestock, and cash-crop operations. His long-standing understanding of soil stewardship, farm economics, and long-term land productivity aligns closely with Replenish's focus on soil health and regenerative agriculture.

"Steven's appointment adds significant financial and governance strength to our Board," said Neil Wiens, CEO of Replenish. "His experience as an audit committee chair of a TSX-listed company and his deep understanding of public-company oversight will be invaluable as Replenish continues to grow and mature. In addition, his long-standing connection to agriculture and firsthand understanding of farm operations and soil stewardship further strengthen his fit with our mission and long-term strategy."
